January 2023

Happy New Year!

2022 was the 9th year for the Bartonville Police Department's Blue Santa Program providing gifts to 39 kids, and once again, the kindness and generosity of the Bartonville community made it a huge success. Thank you to the many residents who contributed gifts and monetary donations, to The Bartonville Store and Luminous Med Spa for their toy collections and donations, to Waste Connections for donating 5 bicycles, and finally to the Argyle Student Leadership group (PALS) for their efforts in wrapping all the gifts. This program would not be possible without all of you.

I want to thank the volunteers who braved the rainy day to participate in the Mayors Red Kettle Challenge for the Salvation Army on Saturday, December 10th. As of this writing our team collected a little over \$1100.00. All revenue raised through your efforts will stay in our local community to help neighbors navigate the challenges of poverty, addiction, and homelessness.

The Planning and Zoning Commission received the full Comprehensive Plan survey results at their regular meeting on December 7, 2022. The Commissioners will conduct a thorough review of the current Comprehensive Plan over the next few months to ensure that it continues to align with the input received from the resident surveys before making recommendations to Town Council.
