

Message from the Mayor

June 2019

Greetings!

Hard to believe Spring is ending, schools are entering summer break and Summer is almost here.

The election results are in! Council members Jeff Traylor, Clay Sams, and Josh Phillips were all re-elected and will each serve another two-year term. I would also like to welcome Dr. Bridget Melson to the Town Council, she will serve one year for the remainder of the unexpired Place 4 term. Thank you, residents, we are so proud that the Town of Bartonville continues to have one of the highest voter turnout rates in Denton County.

The dedication ceremony for Our Hometown Heroes Wall has been rescheduled to Tuesday, June 11th at 6:30 p.m. This dedication ceremony will take place at Bartonville Town Hall. All are encouraged to attend to honor the memory of Bartonville residents who gave their lives while actively serving in the Armed Forces.

Be on the lookout- services for our town.

Curbside hazardous waste program - The Town Council has approved a new monthly curbside household hazardous waste program at no cost to our residents. Due to Texas Environmental Quality Commission regulations, collections cannot start until mid-July. Please be on the lookout for a postcard and details on the Town's website regarding how to take advantage of this great new service.

Bartonville Community Room - Residents can rent the community room located within Town Hall, free of charge, unless it is for commercial or for-profit use. The room is reserved on a first-come, first-serve basis. Call Town Hall at 817-693-5280 for further information

Lastly, with the 4th of July quickly approaching, please remember that fireworks are permitted within the Town of Bartonville on your personal property **ONLY** if it is a Denton County Burn Day. Please confirm if it is a Burn Day (posted after 10am) before any use of fireworks takes place. This information is posted on the town's website or you can call 940.349.2840. If you will be using fireworks, please be mindful of your neighbors and ensure that all fireworks released remain on your personal property.

As always, please be mindful of keeping your bar ditches mowed and standing water removed. Warm weather is quickly approaching.

Warmly,

Bill Scherer, Mayor
