

Message from the Mayor

July 2019

Warm greetings from Bartonville!

We are excited to announce that the “new” Bartonville store opened its doors this month. The iconic Bartonville Store, purchased by Tim House who partnered with Bartonville Resident Chef Michael Scott, is a farm to table retail market and restaurant featuring a deli, full bar, whole-meal replacement carry-out, and Jeter’s Meat Market, a grass-fed, grain-finish Prime meat butcher shop featuring Texas-raised Wagyu Beef from the Rosewood Ranches along with other high-quality meats such as pork and chicken from other local ranches. This will be a great place for our community to dine and shop.

180 pounds of pills were collected at the Bartonville Police Department on Saturday, May 4th during National Drug Take Back Day and turned over to the U.S. Drug Enforcement Administration for disposal by incineration. We are very pleased to once again partner with our community and the DEA in this event. We know the importance of getting these pills out of medicine cabinets, where they might be stolen and sold on the streets, lead to an accidental overdose of a child or end up in our drinking water. This is the 2nd time the Police Department has participated in the Take Back Day event. Year-round, there is permanent collection box that the public can use to dispose of medications at the Bartonville Police Department.

The Town held its Spring Clean Up Event on June 1st. Residents were able to safely dispose of trash, metal and tires, shred documents, and donate goods. Thank you to all that participated and to all of the volunteers that made this great event possible. A special thank you to the Lantana Community Fellowship Church for allowing us to host the event in their parking lot, the extra space is greatly appreciated and to Waste Connections for donating the food and beverages provided to all of the volunteers!

The Town’s new curbside hazardous waste program begins this month with a pick up date of July 23rd. This service is free to our residents. To schedule a pickup complete the online form at www.hhwsolutions.com/bartonville or call 972-440-2040. For more information regarding this service go to www.townofbartonville.com/hhw or call Town Hall at 817-693-5280.

On April 21st, the Town Council approved a 5-year tax note in the amount of \$1,440,000 to fund the 2019 Residential Street Program and awarded the bid for construction. This large-scale project is a part of a 20-year plan that the Council crafted last year with input and guidance from the Town Engineer. Over the next 20 years, the Town will be investing over \$8,000,000 into our roads. The project will begin in June and is expected to be completed by the end of 2019.

After serving the Town for several years, Brian the Animal Guy has accepted full time employment with another agency. For his replacement, the Town Council has approved a service contract with All American Dogs. They will continue to provide the same great service. For wildlife and animal service calls, they can be contacted at 972-382-3647.

Lastly, going on a vacation? Don’t forget the Bartonville Police Department House/Vacation Watch Program. Simply fill out a form and request a close patrol while you are away. The BPD is pleased to provide this service to all Bartonville residents.

Bill Scherer
